Read This About RUPTURE

If you are ruptured and want quick relief from the daily torment and distress the best thing you can do is to get a bottle of a prescription known as Moore's Emerald Oil from your druggist and apply a few drops nightly.

Relief comes the very next day and in a few days all soreness disappears and the swelling is reduced. Moore's Emerald Oil is so powerfully penetrating that many who use it assert that it strengthens the lower abdominal muscles so that the rupture is held more securely.

Please understand that it will not cure rupture but it will give blessed relief which is worth much to those who suffer. Moore's Emerald Oil is the remedy that has proven so successful in reducing various veins and swollen glands. The price is \$1.15 at druggists or you can get it by mail, charges paid, from International Laboratories, Rochester, N. Y.
